MEMORANDUM FOR: Deputy Director (Administration)

SUBJECT: Career Benefits

1. In accordance with a previous discussion with the DD/A, I brought up this matter of career benefits at a meeting of the Deputies' Assistants some time back and there was general agreement that we should seek, if possible, from the Director policy approval of items 1, 2, 3, and 5 of the attachment to my memorandum of 7 May. Colonel Baird has also requested that this be done without waiting for approval of the entire Career Development Plan, to which this proposal has been attached.

2. Item 4 of the benefits listed has been given your prior personal attention with results indicated by the General Counsel's memorandum of 3 July. This specific item will be given consideration in developing our Legislative Program, to which [redacted] is now giving his personal attention.

3. Should we obtain the Director's approval to go ahead with the other four items at this time, an appropriate group comprised of, probably, the Director of Training, the Comptroller, the General Counsel, General Davison, and a representative of the DD/P should be designated to prepare recommendations for appropriate procedures to implement these policies.

4. Recommend that you discuss this matter with the Director.
